

DIEBOLD OPTEVA® 522 LOBBY CASH DISPENSER

A revolutionary free-standing cash dispenser... so many features, such a small footprint!

Available in Front-load Lobby, Rear-load Lobby or Vestibule Models

FEATURE-RICH FUNCTIONALITY

Opteva® 522 offers outstanding functionality featuring cash and media dispensing, marketing capabilities, bill payment, funds transfers and balance inquiries—all built into a highly versatile footprint.

MAXIMUM AVAILABILITY

Ensure maximum availability with Opteva 522's five-cassette capacity, which is supported by intelligent modules that forecast maintenance needs so you can respond proactively.

ULTIMATE RELIABILITY

Opteva technology delivers one of the highest levels of up-time in the industry. That means consistent convenience for your customers and peace of mind for you.

FLEXIBLE INSTALLATION

Small footprint featuring front-load, rear-load, and vestibule configurations, Opteva 522's flexible design complements most financial institutions for efficient use of valuable floor space.

MULTI-CHANNEL SOFTWARE

Agilis®, Diebold's high-performance solutions platform, performs in a cross-vendor environment and connects to Web applications, back-office systems and other customer channels to maximize your brand, personalize transactions and deploy new functionality quickly.

SECURITY SOLUTIONS

The enhanced security features integrate the latest in fraud-prevention technology to reduce your exposure while offering your customers an enhanced sense of security.

YOUR PEACE OF MIND IS PRICELESS

For the highest level of reliability and continuous accessibility from your ATM channel, put your trust in a proven partner. Diebold technology operates easily, profitably and securely, so your ATMs run efficiently. Our self-service solutions provide maximum durability for high return on your investment.
