

DIEBOLD OPTEVA[®] 522 EXTERIOR CASH DISPENSER

A rugged, free standing weather-resistant cash dispenser

FLEXIBLE INSTALLATION

With a small footprint and weatherized exterior, this cash dispenser is perfect for off-premise deployment in locations such as athletic stadiums, amusement parks and outdoor venues.

MAXIMUM AVAILABILITY

Ensure maximum availability with Opteva[®] 522's five-cassette capacity, which is supported by intelligent modules that forecast maintenance needs so you can respond proactively.

ULTIMATE RELIABILITY

Opteva[®] technology delivers one of the highest levels of uptime in the industry. More uptime means consistent convenience for your customers and peace of mind for you.

MULTI-CHANNEL SOFTWARE

Agilis[®], Diebold's high-performance solutions platform, performs in a cross-vendor environment and connects to web applications, back-office systems and other customer channels to maximize your brand, personalize transactions and deploy new functionality quickly.

SECURITY SOLUTIONS

The enhanced security features integrate the latest in fraud-prevention technology to reduce your exposure while offering your customers an enhanced sense of security.

We've got a solve for that.™

YOUR PEACE OF MIND IS PRICELESS

For the highest level of reliability and continuous accessibility from your ATM channel, put your trust in a proven leader. Diebold technology operates easily, profitably and securely, so your channel runs as efficiently as possible. Our self-service solutions provide maximum durability for high return on your investment. Diebold Opteva[®] hardware and Agilis[®] software platforms were designed with an eye toward the future by ensuring upgradeability and delivering tomorrow's self-service terminals today.

Enjoy the peace of mind only Diebold technology delivers. From ease of installation, to the latest in security features and maximum availability, Diebold offers reliable solutions that boost profitability. Choose dependability. Choose Diebold.
