

DIEBOLD NIXDORF  
ACTIVVIEW SECONDARY CONSUMER DISPLAY

DIEBOLD  
NIXDORF

# PROVIDE MAXIMUM PRIVACY FOR HIGHLY PERSONALIZED EXPERIENCE

Market research indicates that today's consumers associate the ideal self-service experience with comfort, privacy and security. Empower customers with ActivView, an innovative secondary consumer display that optimizes user experience, while boosting the financial institution's ability to connect.

#### **TAILOR USER EXPERIENCE WITH CONFIGURABLE DISPLAYS.**

ActivView pairs with the industry's largest 19" XSGA color consumer display for a modern, sophisticated experience.

#### **REDEFINING ATM POWER MANAGEMENT**

All Diebold displays are durable and scratch resistant with value-added options, including:

- Touchscreen
- Available as a 10.4" display on the 9900.
- Available as a 7" display in the 5700, 7700, 7780, and 7790.
- CS 57xx, CS 77xx, CS 7780, CS 7790.
- As it is available on CS 5700 and CS 5750.
- CS 7700 and CS 7750.

**ENHANCED SECURITY**

ActivView limits onlookers' visibility during information input, significantly increasing privacy levels.

**UNIVERSAL DESIGN**

ActivView is designed to deliver the optimal experience for all users including able-bodied individuals, people with disabilities, sight or hearing impaired users, and people of a wide range of heights. Its convenient low placement improves ergonomics and makes it a comfortable, accessible option.

**TWICE THE OPPORTUNITY**

With dual-display capability, financial institutions can increase branding, as well as deliver targeted marketing messages for the full transaction period. Enabling new use cases, ActivView allows customers to access live, two-way video on one screen while viewing transaction data on the other.

**WHY DIEBOLD NIXDORF?**

With an installed base of 1 million customer touchpoints in more than 120 countries, Diebold Nixdorf leads the industry in self-service cash systems automation innovations. This positions us to better understand the market needs of today and anticipate those of tomorrow. Leveraging our IP and expertise in cash handling, security and branch automation, we use our knowledge across peripheral markets where self-service efficiencies are emphasized for consumers who desire ease, familiarity and security with their day-to-day transactions—from branch to mobile and beyond.
