

DN Series® 230A

Outdoor Walk-up Cash Dispenser

Move the ATM with the most functionality in the smallest footprint outdoor: Offer customers the engaging and secure experience they've come to expect where they need it.

Designed on a scalable platform and driven by the CMD-V6A (Cash & Media Dispenser), a high capacity cash and media engine, you can offer cash-dispense capabilities where customers need them: on mixed-use, outdoor shopping areas, close to tourist attractions, bars and restaurants and in many other locations where cash is required. The weatherized cash dispenser can withstand even extreme weather conditions and run with the highest availability, regardless of climate conditions.

More Personalized

Engaging, consistent, research based design coupled with powerful Vynamic® software that enable personal connections with consumers at the intersection of physical and digital channels.

More Integrated

A common platform supported by leading software and services ensures more seamless integration into your organization's channel ecosystem.

More Available

DN AllConnect™ Data Engine, an intelligent data-driven service architecture, maximizes the availability of the globally proven 6th generation dispensing module.

More Efficient

New functionality offers new opportunities to migrate transactions and engage consumers through the self-service channel.

More Future-Ready

Equipped with the latest technology and built to allow for later functionality upgrades if you desire them at any point in the future.

More Secure

Layered security features protect against traditional and emerging physical, data and cyber threats.

More Sustainable

Built for a greener future: DN Series® minimizes power use, reduces service and CiT trips, and optimizes resources—supporting your sustainability goals at every step.

CROSS-PLATFORM MEDIA ENGINES

CMD-V6A Engine (6th Generation Cash & Media Dispenser)

- Dispense up to 110-note bundle
- Up to 4 cassettes
- 340 mm note stacking capacity per cassette
- Retract/Reject bin

ENHANCED SECURITY

Physical

- Portrait, cash slot, environmental and third-party camera options
- Security Safes: CEN I, CEN III Ex Gas, CEN IV Ex Gas
- Variety of alarm options
- Anti-fraud system design
- Electronic or mechanical safe door locks
- Anti-cash trapping sensor
- Blasting attack prevention

Data

- Consumer awareness mirrors
- Encrypting PIN pad
- PIN pad shield
- Anti-skimming card readers

Cyber

- Trusted Device Communication
- Basic Endpoint Security
- CrypTA Stick secure service access
- Vynamic® Security
- Trusted Platform Module (TPM)

Fully Outdoor Capable

- With AC & with heater: -40 to +50°C
- With heater without AC: -40 to +40°C
- Without AC & without heater: 0 to +40°C

Display

- 15" with function keys and/or touchscreen
- Vandal-resistant display
- Supports multi-touch
- Standard or high-bright LCD
- Privacy filter

Processor

- Intel® i5
- Intel® Active Management Technology (AMT)
- Solid-State-Drive (SSD)

Accessibility

- Compliant with regional height and reach requirements (ADA compliant)
- Audio options
- User guide lights customizable with branding colors

ID Devices

- EMV motorized, dip, ActivEdge® and/or contactless card readers
- Barcode scanner 1D/2D
- Fingerprint reader

Printers

- 80 mm thermal receipt printer
- Journal printer

Serviceability

- Front load
- Integrated with DN AllConnect Services™ Architecture

Platform Software & Operating System

- ProBase/C
- Windows®

Application Software

- Vynamic® Software

Dimensions (HxWxD)

1565 mm x 500 mm x 869 mm
(61.7 in x 19.7 in x 34.2 in)

See installation manual for other configurations and installation parameters.
