

DN Series® 250A

Outdoor Through-the-Wall Cash Dispenser

Offer your consumers the engaging, secure experience they expect in today's digitally enabled world.

The DN Series® 250A packs industry-leading functionality into the smallest footprint, so you can automate more transactions and repurpose branch staff. Designed on a scalable platform and driven by our high-capacity 6th generation cash and media dispenser (CMD-V6A).

More Personalized

Engaging, consistent, research based design coupled with powerful Vynamic® software that enable personal connections with consumers at the intersection of physical and digital channels.

More Integrated

A common platform supported by leading software and services ensures more seamless integration into your organization's channel ecosystem.

More Available

DN AllConnectSM Data Engine, an intelligent data-driven service architecture, maximizes the availability of the globally proven 6th generation dispensing module.

More Efficient

New functionality offers new opportunities to migrate transactions and engage consumers through the self-service channel.

More Future-Ready

Our scalable, modular platform offers the flexibility to meet consumers' demands today, and in the future.

More Secure

Layered security features protect against traditional and emerging physical, data and cyber threats.

More Sustainable

Built for a greener future: DN Series® minimizes power use, reduces service and CiT trips, and optimizes resources—supporting your sustainability goals at every step.
