

DN Series® 490A

Outdoor Drive-Up Island Multifunction Cash Dispenser System

Transform your drive-thru lane: migrate routine transactions to self-service and free your tellers to engage more deeply with consumers.

Designed on a scalable platform, the DN Series® 490A is powered by our high-efficiency cash and media engine (CMD-V6A) to ensure higher uptime and availability. The DN Series® 490A meets the needs of your consumers in a convenient 24x7 channel.

More Personalized

Engaging, consistent, research based design coupled with powerful Vynamic® software that enable personal connections with consumers at the intersection of physical and digital channels.

More Integrated

A common platform supported by leading software and services ensures more seamless integration into your organization's channel ecosystem.

More Available

DN AllConnect™ Data Engine, an intelligent data-driven service architecture, maximizes the availability of the globally proven 6th generation dispensing module.

More Efficient

New functionality offers new opportunities to migrate transactions and engage consumers through the self-service channel.

More Future-Ready

Our scalable, modular platform offers the flexibility to meet consumers' demands today, and in the future.

More Secure

Layered security features protect against traditional and emerging physical, data and cyber threats.

More Sustainable

Built for a greener future: DN Series® minimizes power use, reduces service and CiT trips, and optimizes resources—supporting your sustainability goals at every step.

CROSS-PLATFORM MEDIA ENGINES

CMD-V6A Engine (6th Generation Cash & Media Dispenser)

- Dispense up to 110-note bundle
- Up to four media cassettes
- 340 mm note stacking capacity per cassette
- Retract/Reject compartment or cassette with partition

ENHANCED SECURITY

Physical

- Security Safes: UL 291 Level 1, CEN I, CEN III EX GAS
- Variety of alarm options
- Anti-fraud system design
- Electronic or mechanical safe locks
- Anti-cash trapping sensor

Data

- Consumer awareness mirrors
- Encrypting PIN pad
- Comprehensive anti-skimming features

Cyber

- Trusted Device Communication
- Basic Endpoint Security
- CrypTA Stick secure service access
- Vynamic® Security
- Trusted Platform Module (TPM)
- Anti-skimming card readers

Display

- 15" with function keys and/or touchscreen
- 19" landscape touchscreen
- Vandal-resistant display
- Supports multi-touch
- Standard or high-bright LCD
- Privacy filter

Processor

- Intel® i5
- Intel® Active Management Technology (AMT)
- Hard disk or solid state drives

Accessibility

- Compliant to applicable regional accessibility regulations
- Audio options
- 2-way video camera/microphone
- User guide lights customizable with branding colors

ID Devices

- EMV motorized, dip, ActivEdge® and/or contactless card readers
- Barcode scanner 1D/2D
- Driver's license scannerw
- Fingerprint reader

Printers

- 80 mm thermal receipt printer

Serviceability

- Front load
- Integrated with DN AllConnect ServicesSM Architecture
- Heater and air conditioner unit

Platform Software & Operating System

- ProBase/C
- Windows®

Application Software

- Vynamic® Software

Dimensions Wall Opening (HxWxD)

1483 mm x 800 mm x 984 mm
(59.39 in x 31.5 in x 38.7 in)
