

# Home Loan State Bank

Serving Western Colorado  
with branches in  
Grand Junction and Montrose

“We are a long-time customer of Diebold Nixdorf and have recently worked with the DN Branch Design & Deployment team to design our newly-expanded Montrose branch.

From the moment of inception, our architect and contractor along with the DN Branch team were in lockstep to ensure the branch was designed and built to offer innovation to our community with a much bigger footprint.”
