Continuous Transformation in Every Retail Banking Network

The Main Challenge

Ensure speed to market and remove complexity

SPEED TO MARKET

SIMPLIFY

**ALWAYS-ON
SECURITY AND COMPLIANCE**

**INCREASED
PROFITABILITY**

- Increase speed to market of your deployments or upgrades
- Minimize need for in-house subject matter expertise and experience
- Simplify management of multiple vendors
- Minimize business interruptions
- Ensure high quality and future-proofed implementations
- Optimize project management while controlling changes and risks
- Delivery on-time and on-budget

- ✓ Single Point of Contact
- ✗ Branch modernization
- ✗ Reliability

CONTRACTOR 3

- ✗ Seamless Integration
- ✗ 24/7 coverage
- ✗ Global service infrastructure
- ✓ Single Point of Contact
- ✓ Branch modernization
- ✓ Reliability

Implementation Services Remove Barriers

Diebold Nixdorf acts as your single point of contact— to take over the complexity of project management, using standardized processes, made to measure by years of business knowledge, and ability to commit to KPI results.

Designed to reduce complexities and to take over all the coordinative efforts so that you can focus on your core business.

Diebold Nixdorf removes your steepest barriers so you can continuously and efficiently serve your customers.

**SEAMLESS
INTEGRATION**
